Any child who is caught misbehaving will be prohibited from participating in any other activities for the remainder of the day and the parent/ guardian will be called to come and collect them.

We recommend that every child has sunscreen applied to them before arriving at the adventure centre as and bring additional sunscreen for them to apply during the day, instructors will remind kids to reapply sunscreen before each activity.

The children will not be able to participate in water activities if they do not wear a rash vest or T-Shirt which can get wet.
