

SWAN VALLEY KIDS ADVENTURE CLUB Term 1 2023

Welcome everyone who will be joining us at Swan Valley Adventure Centre for Term 1 for the Kids Adventure Club. Please see the below schedule that each of our adventurers will be completing after school.

During week 1 of the program, the child(ren) will have their Adventurer Passport ready where they will be tasked to get stamps on every page during the term! We will be holding onto them until the end of the program to avoid damage to and losing the Adventure Passport!

As the current weather can be quite varied, we do need to plan for unexpected wet weather and hot weather, and as such, all children participating need to bring the following:

- Rash vest/ T Shirt which can get wet (**MUST BE WORN WHILST PARTICIPATING IN WATER SPORTS**)
- Swimming Shorts and Bathers for Commando Course, Raft Building and Canoeing
- Hoodie / Rain Jacket
- Small bag/ Backpack
- Plastic Bag – to put dirty clothes or enclosed shoes in
- **Sunscreen** – in case of hot weather
- **Enclosed shoes** – must be worn to participate in activities.
- Water Bottle
- Towel
- Medical supplies such as an asthma puffer/ Epipen (if applicable)
- Spare change of clothes, hoodie/rain jacket and enclosed shoes in case of wet weather.
- Children must bring spare **enclosed shoes/reef shoes** for Canoeing (these will get wet).

All children must wear enclosed shoes for all activities, thongs/ sandals are not allowed.

We use the following respect model for all attending our camp:

We ask that all children be on their best behaviour whilst visiting the centre and participating in the activities. Swan Valley Adventure Centre reserves the right to remove anyone breaching the respect model from an activity during the after school program. Any child who is caught misbehaving will be prohibited from participating in any activity for the remainder of the day and the parent/ guardian will be called to come and collect them.

Please note that the Swan Valley Adventure Centre is an all-weather centre and there is a chance wet weather may occur, despite weather conditions the program will continue as per normal. If the weather is deemed unsafe by our Activities Manager, we will be in contact with you before the commencement of the new adventure club week. The centre is very conscious of being SunSmart and it is recommended that children bring sunscreen. Sunscreen must be applied on the kids before arrival and instructors will remind kids to reapply sunscreen during the activity.

In the afternoon, please proceed to the Drift Inn located at the Town Square behind the Alfred Guy Hall (number 5 on the map). Registrations will be open between 4pm – 4:20pm, please note that we cannot accept registrations before 4pm. We kindly ask all parents to please drop their child(ren) off at the centre no later than 4:20pm.

Please note that all parents must accompany their child/children to the registration area. We have attached a map of the complex for your reference.

Pick-ups will commence at the end of the activity from the Drift Inn at the Town Square, we kindly ask Parents/Guardians to please pick their child(ren) up at 6pm sharp. A reminder that only the Parent/ Guardian whose name(s) were provided when booking, will be able to pick up the child at the conclusion of the day. The names of the Parent/Guardian for pickup can be changed at the beginning of each adventure club week. During the day, if this information has changed, and the person listed will no longer be able to collect the child(ren), you must contact the marketing coordinator on 0432184009 before the pickup time. Children will not be able to leave with an adult whose name has not been provided to Swan Valley Adventure Centre.

We look forward to seeing everyone soon.

Swan Valley Adventure Centre Team
