

## Swan Valley Activity Standards

In accordance with the Adventure Activity Standards and the Education Department guidelines.

All Instructors have a current *Working with Children Card* and a Police check. They also receive on going Instructor training for all activities covering emergency procedures and safe operating procedures.

All water sports Instructors are also qualified and have a Certificate 3 or above in *Outdoor Recreation* or an *Australian Canoe Association Flat Water Guide* qualification or equivalent.

All roping Instructors have Certificate 3 or above in *Outdoor Recreation* or an *Australian Climbing Instructors Qualification* or *Top Rope Climb* on artificial surfaces (SISOCLA311) or *Vertical Rescue* training.

All equipment and structures are routinely inspected by competent staff including an external annual inspection by the Australian Rope Course Builders.
